Step by step on Friday

1

Before you leave home

Take the **PINK card**, your phone (fully charged) and some water.

2

Put the card in the car

Place the pink card on the **dashboard**, behind the windscreen, so staff can see it clearly.

3

Drive to car park P12

At Sepang, follow the road signs for **car park P12**. Show the pink card to the staff at the entrance.

4

Park in Bay 12

Look for the signs for **Bay 12** and park there. If unsure, ask a staff member - just show them your card.

5

Remember where you parked

Take a photo of the Bay 12 sign with your phone. It will help you find your car later.

Good to know

1

Stay cool

It will be hot. Wear a hat, sunglasses and comfortable shoes. Drink water often.

2

Go early

Traffic can be heavy near the circuit. Leave home early and take your time.

3

The QR code

Need help?

Ask any staff member in uniform. Show them your pink card - it says **P12, Bay 12**.
